Profile

I'm a frontend web developer passionate about building responsive websites that people love to use. With 6+ years of experience in the tech, healthcare and aviation industries, I've built a reputation for helping companies achieve their business outcomes by developing digital experiences that increase engagement and customer satisfaction.

I've worked in both corporate environments and agency settings and consider myself to be an avid learner who always seeks out new opportunities that challenge me to grow my skill set.

Employment History

Freelance Web Developer, Self-employed

APRIL 2022 — PRESENT
